

European Commission

Technical Assistance Information Exchange Instrument (TAIEX), DG Enlargement

***Seminar on
Electronic Commerce Directive***

reference number

organised in co-operation with

Serbian Chamber of Commerce

Venue:

Terazije 23, Belgrade

Date 18-19 June 2008

Aim of the Meeting

The aim of this meeting is to provide the representatives of Chamber of Commerce and Industry, professional and sector associations, as well as Serbian Ministries with relevant information regarding the E-commerce Directive. In every day business Serbian enterprises are facing lot of problems, especially with the Serbian legislation and difficulties in realization of e-commerce although Serbia has done a lot to set the business in the IT sector legally closer to the standards in the EU. Ministry of Telecommunication and Information Society was established in May 2007 and one of its main activities is creation and implementation of E-commerce Law and further development of e-commerce and e-government in Serbia. That is the reason why the practice and experience in the EU Member States are valuable to the Serbian Government as well as the Serbian companies.
